All those who've been inquiring about the next Analyst training: it is now scheduled for November 3–7.

Following will be three classes with Martin Grassinger who impressed students during his first appearance in Taos this past Spring. We're looking forward to having him here again to teach workshops and classes on Readings, Lines and Relating.

- The Incarnation Crosses class on audio CD

With Sun and Earth opposite each other in the zodiac and Personality and Design 88° (almost 90°) apart, a cross is formed in the wheel by the Personality Sun and Earth and the Design Sun and Earth in someone's chart. This cross comprises 70% of the Neutrino stream and is therefore of great significance in a Design.

In this class, recorded in February 2000, Ra diligently goes around the wheel to describe all of the crosses. It is published on audio CD in four installments, each Realm, or Quarter being a set.

The first quarter begins with gate 13 and ends with gate 24. It is now available on audio CD from New Sun Services America.

The Incarnation Crosses: 1.The Realm of Alcylene
