-- Latest Newsletter Mailed

In the past few days we've mailed the latest edition of our printed newsletter. It contains articles about recent developments concerning New Sun Services and the School, as well as a review of Martin Grassinger's three November classes in Taos, and the new feature "Spotlight," showcasing Human Design professionals and their work.

The newsletter should arrive in your mailbox during this week. If you discover that you aren't on our mailing list, please let us know.

-- New Titles of the 384 Lines Series

As monumental a task as the class itself, the publication of this line-by-line journey around the wheel progresses quickly. At three gates every other week, the collection has now passed the half-way mark to its completion. Thanks are due to the subscribers of this series, who make its publication possible.

Three new titles are now available on audio CD:

Gate 47 and its lines,  
Gate 6 and its lines,  
Gate 46 and its lines.
