In today's update:

- Zeno in Southern California
- Rave I'Ching Error Alert
- HDP Spring Gathering
- Practical Applications Class

-- Zeno in Southern California

Zeno is in Southern California until March 28 to give her ever more popular design live! workshops. She's also available for readings. A detailed schedule was sent separately to friends in Southern California. Call or send an email if you would like to receive it.

-- Rave I'Ching Error Alert

The Sun fixing line 58.5 is exalted (as well as the Moon). In the original "The Human Design System" book it says "The Moon exalted."...."The Sun exalted."

When Ra gave the 384 lines class, he began with "The Sun in detriment," then corrected himself with "The Sun is also exalted."

So folks, get out your white-out and black pens to make the correction in your own copies.

The new black-and-white version and the latest print-run of the color version are corrected.

\$18 in black and white\*\*

-- Spring Events in Taos

As Winter gets edged out by the emerging Spring, the tasks for organizing the May events in Taos are at hand.

The Practical Applications class is a participant-driven 6-day workshop for well-prepared students who want to broaden their concepts through interactions with fellow students. This class

is experiential, illuminating the lives of those present as to how their design works.
