G Center tape

The new and long anticipated G Center tape completes the professional series on the nine centers. It has found space on one cassette and is available from New Sun Services for \$15 (plus shipping and NM taxes, if applicable).

Neutrino Forecast on CD

Starting with the upcoming August issue, the Neutrino Forecast is now available on CD, without change in price. If you are a subscriber and would like to switch to CD, please let us know soon (for the August issue the deadline is July 20). New subscriptions are available on CD only.
